

KEEP PUNCHIN

Let's knock brain cancer out for the count.

Supported Equipment and Services

Keep Punching, Inc. is a 501c3 organization dedicated to supporting patients, health-care providers and researchers in their fight to prevent and eradicate brain cancer and minimize treatment-related side-effects that may adversely impact function and comfort.

For individuals with a primary brain malignancy and financial need, Keep Punching, Inc. will fund up to \$2000 per person for equipment and services recommended by a licensed healthcare provider.

***Examples of equipment and services supported by Keep Punching, Inc. include, but are not limited to, the items listed below. Individuals desiring equipment or services not specified on the list should inquire with Keep Punching, Inc. about funding possibilities.*
